

# Remote Learning Policy

St Wilfrid's Catholic Primary School

Approved by:	P. Crawley	Date: 1.9.24
Last reviewed on:	1.9.24	
Next review due by:	1.9.25	

## 1. Aims

This remote learning policy for staff aims to:

- Ensure consistency in the approach to remote learning for pupils who aren't in school
- Set out expectations for all members of the school community with regards to remote learning
- Provide appropriate guidelines for data protection

## 2. Use of remote learning

All pupils should attend school, in line with our attendance policy. Remote education is not viewed as an equal alternative to attendance in school.

Pupils receiving remote education will be marked absent in line with the Pupil Registration Regulations.

We will consider providing remote education to pupils in circumstances when in-person attendance is either not possible or contrary to government guidance.

This might include:

- Occasions when we decide that opening our school is either:
  - Not possible to do safely
  - Contradictory to guidance from local or central government
- Occasions when individual pupils, for a limited duration, are unable to physically attend school but are able to continue learning, for example because:
  - They have an infectious illness
  - They are preparing for or recovering from some types of operation
  - They are recovering from injury and attendance in school may inhibit such recovery
  - Their attendance has been affected by a special educational need or disability (SEND) or a mental health issue

The school will consider providing pupils with remote education on a case-by-case basis.

In the limited circumstances when remote learning is used, we will:

- Gain mutual agreement of remote education by the school, parents/carers, pupils, and if appropriate, a relevant medical professional. If the pupil has an education, health and care (EHC) plan or social worker, the local authority (LA) will also be involved in the decision
- Put formal arrangements in place to regularly review it and identify how to reintegrate the pupil back into school
- Identify what other support and flexibilities can be put in place to help reintegrate the pupil back into school at the earliest opportunity
- Set a time limit with an aim that the pupil returns to in-person education with appropriate support

Remote education will not be used as a justification for sending pupils home due to misbehaviour. This would count as a suspension, even if the pupil is asked to access online education while suspended.

## 3. Roles and responsibilities

### 3.1 Teachers

When providing remote learning in the event of a whole school closure; teachers must be available between; 8.40 and 12pm, and 1.00 - 3.15pm.

If they're unable to work for any reason during this time, for example due to sickness or caring for a dependent, they should report this using the normal absence procedure.

When providing remote learning, teachers should:

- Provide pupils with access to remote education as soon as reasonably practicable, though in proportion to the length of absence and disruption to the learning of all learners. This will be via whole class teams lessons.
- Make reasonable adjustments for pupils with SEND to access remote education, where required, informed by relevant considerations including the support families will require and the types of services that pupils can access remotely

In the event of remote learning for individual children, class teachers are responsible for:

- Setting work for their class. Good practice is to set 3 hours a day for KS1 and 4 hours for KS2.
- Ensure that work is sent home via email or to be collected by the parent.
- Make sure that work provided is of high quality, meaningful, ambitious and covers a range of subjects.
- The needs of all pupils must be considered, such as those with SEND or other additional needs.
- Keep in touch with the child/parents who aren't in school if this is deemed necessary.

### **3.2 Teaching assistants**

In the event of a school closure, teaching assistants must assist with remote learning and be available between 8.40 and 12.00 and 1pm-3.15pm. If they're unable to work for any reason during this time, for example due to sickness or caring for a dependent, they should report this using the normal absence procedure. Teaching assistants must assist the class teacher with remote learning.

### **3.3 Subject leads**

Alongside their teaching responsibilities, subject leads are responsible for:

- Considering whether any aspects of the subject curriculum need to change to accommodate remote learning
- Working with teachers teaching their subject remotely to make sure all work set is appropriate and consistent
- Working with other subject leads and senior leaders to make sure work set remotely across all subjects is appropriate and consistent, and deadlines are being set an appropriate distance away from each other
- Monitoring the remote work set by teachers in their subject - explain how they'll do this, such as through regular meetings with teachers or by reviewing work set
- Alerting teachers to resources they can use to teach their subject remotely

### **3.4 Senior leaders**

Alongside any teaching responsibilities, senior leaders should continue to use the school's digital platform for remote education provision and make sure staff continue to be trained and are confident in its use.

They should continue to overcome barriers to digital access where possible for pupils by, for example:

- Distributing school-owned laptops accompanied by a user agreement or contract (if possible)
- Securing appropriate internet connectivity solutions where possible
- Providing printed resources, such as textbooks and workbooks, to structure learning, supplemented with other forms of communication to keep pupils on track or answer questions about work
- Having systems for checking, ideally on a daily basis, whether pupils learning remotely are engaging in its use, and work with families to rapidly identify effective solutions where engagement is a concern

They are also responsible for:

- Monitoring the effectiveness of remote learning through regular meetings with teachers and subject leaders, reviewing work set or reaching out for feedback from pupils and parents/carers
- Monitoring the security of remote learning systems, including data protection and safeguarding considerations
- Ensuring staff remain trained and confident in their use of SeeSaw
- Training staff on use of SeeSaw
- Providing information to parents/carers and pupils about remote education via email and website
- Working with the catering team to ensure pupils eligible for benefits-related free school meals (FSM) are provided with good quality lunch parcels or food vouchers

### **3.5 Designated safeguarding lead (DSL)**

See Safeguarding policy.

### **3.6 Pupils and parents/carers**

Staff can expect pupils learning remotely to:

- Be contactable during the school day
- Complete work to the deadline set by teachers
- Seek help if they need it, from teachers or teaching assistants
- Alert teachers if they're not able to complete work
- Act in accordance with normal behaviour rules / conduct rules of the school

Staff can expect parents/carers with children learning remotely to:

- Engage with the school and support their children's learning, and to establish a routine that reflects the normal school day as far as reasonably possible
- Make the school aware if their child is sick or otherwise can't complete work
- Seek help from the school if they need it - if you know of any resources staff should point parents towards if they're struggling, include those here
- Be respectful when making any complaints or concerns known to staff

### **3.7 Governors**

The governors are responsible for:

- Monitoring the school's approach to providing remote learning to ensure education remains of as high a quality as possible

- Ensuring that staff are certain that remote learning systems are appropriately secure, for both data protection and safeguarding reasons

## 4. Who to contact

If staff have any questions or concerns about remote learning, they should contact the following individuals:

- Issues in setting work - talk to the relevant subject lead or SENCO
- Issues with behaviour - talk to C Johnson or C Egdell
- Issues with IT - raise ticket with BWCET IT
- Issues with their own workload or wellbeing - talk to C Johnson or C Egdell
- Concerns about data protection - talk to C Johnson or J Morrison
- Concerns about safeguarding - talk to the DSL

## 5. Data protection

### 5.1 Accessing personal data

When accessing personal data for remote learning purposes, all staff members will:

- Access the data on a secure network
- Use school devices

### 5.2 Processing personal data

Staff members may need to collect and/or share personal data such as email addresses as part of the remote learning system. As long as this processing is necessary for the school's official functions, individuals won't need to give permission for this to happen. The school will follow its data protection policy / privacy notice in terms of handling data, which can be found on the school website.

However, staff are reminded to collect and/or share as little personal data as possible online, and to remind themselves of their duties in terms of data protection in accordance with the school's policies and procedures.

### 5.3 Keeping devices secure

All staff members will take appropriate steps to ensure their devices remain secure. This includes, but is not limited to:

- Keeping the device password-protected - strong passwords are at least 8 characters, with a combination of upper and lower-case letters, numbers and special characters (e.g. asterisk or currency symbol)
- Ensuring the hard drive is encrypted - this means if the device is lost or stolen, no one can access the files stored on the hard drive by attaching it to a new device
- Making sure the device locks if left inactive for a period of time
- Not sharing the device among family or friends
- Installing antivirus and anti-spyware software
- Keeping operating systems up to date - always install the latest updates

## 6. Monitoring arrangements

This policy will be reviewed annually by the headteacher. At every review, it will be approved by the Local Governing Committee.

## **8. Links with other policies**

This policy is linked to our:

- Behaviour policy
- Child protection policy
- Data protection policy and privacy notices
- Home-school agreement
- ICT and internet acceptable use policy
- Online safety policy
